

“Hey West Virginia Jaycees: What’s Going On?” “Strive For the Summit”

We are halfway to the summit for 2007. We now need to stay focused on our goals. We need to concentrate on reaching our goals and on assisting our fellow members in reaching their goals. The most important person in the organization is your fellow member. We cannot do it alone. We need assistance, support, and encouragement for each of us to reach our summit in 2007. Helping out members to reach their goals will assist you in reaching your goal too. Together we can always achieve more. We have 6 great months ahead to make a difference in someone’s life and in your own for 2007. I want you to be able to look back and say in 2007: “I reached my goal and helped others achieve theirs.” Together the West Virginia Jaycees can reach the Summit. Do more than just read this. Get involved with your chapter and help with the next project. Reach out and give your fellow member that lift, support, and encouragement to reach that summit.

Let me here you say out loud:

“WE ARE” “WEST VIRGINIA” “JAYCEES.” “WE ARE” “WEST VIRGINIA” “JAYCEES.”
“WE ARE” “WEST VIRGINIA” “JAYCEES.” “WE ARE” “WEST VIRGINIA” “JAYCEES.”

“Strive for the Summit in 2007.”

Keith Zoekler 68th President West Virginia Jaycees

Quarterly Workshops/Paperwork Turn-In

The state executive committee would like to recognize members and chapters for their efforts in the second quarter. We will assist chapters with filling out what has been known as the “president’s report.” We know that you may have questions as you go through this process so we want to be there to help. Please bring all documentation from your meetings, trainings, and projects to the workshops and we will go over the report with you. It will help to show you where you are in the quest to receive Blue/Gold Chip Status. The workshops will be held as follows: July 27, 2007 from 6:00 to 10:00 p.m. at the Ohio Valley Jaycees Clubhouse for all northern WV chapters; July 28, 2007 from 12:00 Noon to 4:00 p.m. at the Raleigh County Public Library in Beckley for all the central & southern WV chapters. Any questions call President Keith or First Lady Margaret at 232-5966.

News from President Keith and First Lady Margaret

They are expecting twins in late December

“Congratulations” !!!

CPG Incentive: \$20.00 discount to Camp Survivor Weekend

If your chapter turns in a completed Chairman’s Planning Guide (CPG) at or by the quarterly chapter workshop, one person from that Chapter will receive \$20.00 off that quarter’s state convention registration. Your chapter president will decide who will receive the \$20.00 discount. The CPG has to be for a project that was run in that quarter by the chapter. You are welcome to turn in more than one CPG, but each chapter can only receive one discount per quarter. The deadline for the first quarter is July 28th. Come to the workshops on July 27th in Wheeling or July 28th in Beckley with your CPG(s). If you need training on how to do a CPG please contact a member of the state team and we will have someone work with you.
